

St. Pius X Women's Society Newsletter - January-February 2019

Hi Everyone:

I know it's been a while since you heard from us. We are sorry but it's been really crazy at our house. Most of December, both of us were sick with bronchitis, ear infections and pancreatitis. The last one ended in a 5 day stay in Cape Cod Hospital for the Boop.

I'd like to thank everyone who sent us sympathy cards for the passing of our sister Joan. I'd like to say thank you for the get well cards from those of you who knew about my hospital stay. God is very good. Things are finally calming down.

Lots of things are coming in the Spring. So let's get to all the news that's fit to print!

February Meeting Program Bay to Sound Neighbors

A bridge to aging in place

Bay to Sound Neighbors is a non-profit membership organization that will create a community of support for older citizens living in the towns of *Yarmouth* and *Dennis* so they can live full lives in their own homes safely and comfortably as they age.

The success of Bay to Sound Neighbors depends on the diverse talents of dedicated volunteers. The program launched on September 17, 2018 and is one of over 200 in the United States and other countries. Another 150 villages are under development.

March Meeting Program

Did you ever want to try yoga? Great for limbering up and toning your body. At this meeting we will have someone who will take us through an easier form of yoga...Chair Yoga. This should be a fun meeting.

Are you ready for some wonderful music? The Cape Symphony is presenting The Very Best of Rogers and Hammerstein. We are lucky enough to have procured the same seating section we had for the wonderful Christmas Show. Tickets are on a first come first serve basis. The date is June 9th at 3 pm. The cost is \$46.80 per ticket. Checks should be made out to the St. Pius X Women's Society.
