### Beach Ball Bakery

It's that time to think about what you can bake for our bakery. All items must be accompanied by card or paper with all ingredients listed. Please no items baked with nuts of any kind. No nut oils, please! Please call Mary, our Bakery coordinator, to let her know she can count on your help. 508-771-8434.

Please ladies we need your baking skills to make this a success. Dust off those bowls and pans and get baking. Give Mary a call and let her know she can count on your help. We need baked goods throughout the day to replenish our supply.

In February, we will also be offering Music from The Tony's at the Symphony. We have reserved 40 tickets at \$46.80. Date February 23<sup>rd</sup>, 3 pm show. More details to follow.

Would you like to do something easy and fun this summer?

There will be an announcement from the altar that will wish those that are visiting the Cape an enjoyable vacation and a safe journey back home and instruct visitors to see the person in the Narthex for a small gift from us.

We're calling on all Society Members to reach out to our summer visitors after Masses in July and August to let our visitors know how much we appreciate their coming to St. Pius X Church.

(1) wish them a wonderful vacation and to please come again to St. Pius X church!

(2) Give them a Miraculous Medal and tell them to take the Blessed Mother with them as they travel safely home.

That's it. That's all you have to do! All done in 10 minutes!

1. If you go to a particular Mass each week, pick a friend who also goes to that Mass too. Buddy up so you can cover for one another.
2. Pick up the basket of medals in the usher closet in the Narthex and return them when you are done.
3. Our visitors will come up to you.

Just let me know which Mass you will cover so I can make sure all Masses are covered. This is part of our Society Outreach program.
