

St. Pius X Women's Society – Mid Spring Newsletter – May, 2020

Hi Everyone:

These days of “Stay at Home” advisories are surely not fun. We are missing all of you. There's no place to go. Can't get out to fun shop or do lunch or dinner but we can keep in touch via phone and Facebook and our newsletter.

Summer Fair Cancelled

It is with heavy heart that we announce that we won't be having our Summer Fair this year due to the virus. However, we like to have all of our parish and society members, support the fine businesses that always supported us. The following is a list of those businesses:

Donation to Church

It is our pleasure to inform the members that our society has presented Father Paul with a check for \$12,000. It is our year end gift to the church.

Times of meetings (hopefully for September, 2020)

After voting during the February and March meetings, the overwhelming decision was to keep the meeting times the same. This means September, October, April and May will be at 6:30 pm. Masses for September and May are at 5 pm in the Church. November, December, January, February and March will start at 1:30 pm. We will continue our "Brown Bag Lunches" for those months. Lunches will start

at 12:30 pm. Remember, you bring lunch, we have coffee and tea.

HELP!

OK, I know Annette and I have one adorable pup, but you must be getting weary of stories about Angel Marie's antics. We are running out of funny uplifting stories to fill our section in the church's weekly bulletin. We are hoping that some of you have some stories about your pets (include pictures) or things you are doing to survive this "Stay at Home" order. We would love to put them in the bulletin.

If you've tried new recipes, that would be great. A funny story about anything at all would be wonderful.

Please send them to us at Boopster's email address. We will give you full credit in the bulletin.

Keep In Touch with Each Other

In this time, when we are isolated from friends and family, it would be great to reach out to each other via phone, email or internet. Take your list of members and try calling someone and check on them. Brighten their day, letting them know someone out there cares and understands what they are going through. It's a simple act of caring that can change someone's day! God will bless you for it!

Mary's Month

It is Our Lady's Month. She is the Patroness of the United States. Let us all turn to Her in fervent prayer, begging an end to this virus and a return to economic stabilization for our economy. An extra rosary, three Hail Mary's, a simple sacrifice of some sort. Mary will not help us unless we ask. She will be a Compassionate Mother if we do.
