

We are happy to offer an AT HOME Vacation Bible School Program this year!

Instead of joining us here at St. Pius X we will provide you with a week of VBS activities to do at home! Each day will feature a day from our past Vacation Bible school themes; some you may be familiar with, some you may not. Each child will receive their own packet of daily activities which will include: a craft, snack options, games to play, a Bible story, and other fun ideas. Each family will also receive a music CD featuring the “hits” of VBS.

So, join us as we get “Shipwrecked”, explore the “Great Bible Reef”, find the “SonTreasure Island”, see what adventures awaits in “Adventures on Promise Island”, swing through the “Jungle Safari”, take a trip to the desert in “SonWest Round-Up”, and finally spend some time tinkering in “Maker Fun Factory”.

The best part of all...this is FREE!

To sign your child/children up, fill out the registration form below.

Registration is limited so don't delay!

Please call 508-394-0709 or email stpiusxreled@comcast.net with any questions
