

2021-2022 BLACKBOARD CONNECT FORM

Keeping you informed is a top priority at St. Pius X Religious Education. We use the Blackboard Connect Notification Service to send a telephone, text and email messages to you providing information about delays or cancellations due to inclement weather, as well as to remind you about various events, including testing, parent meetings, and more.

What you need to know about receiving calls sent through Blackboard Connect

- Caller ID will display the Religious Education Office's main number (508) 394-0709 when messages are delivered.
- Blackboard will leave a message on any answering machine or voicemail.
- If the Blackboard message stops playing, press the 1 or * key and the message will replay from the beginning.
- If for any reason you were not able to receive the call you may call 1-855-473-7529 **from the primary number** given to us on this form and the message will be played.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current information for your family. If this information changes during the year, please let us know as soon as possible.

Please return the form below to the Religious Education Office with your registration forms. Note that the primary phone number will be called for general outreach calls and in the event of an emergency. Please provide your current email address to receive messages this way, as well as a cell phone number to receive text messages.

We are excited that we have incorporated the Blackboard Connect system as a tool to improve parent communication. We look forward to having the ability to deliver real time information to you and provide awareness of events within the Religious Education Program. Thank you for your cooperation and if you have any questions, please do not hesitate to contact us.
