

St. Pius X Youth Altar Server Registration Form

Our parish is always in need of Altar Servers. Any child who is at least in 4th grade and has received his or her First Holy Communion is invited to become a Youth Altar Server. Once you have been trained, the commitment for the Altar Server and his or her parent/guardian is only for a few hours each month. Serving assignments come out every other month and are emailed to you along with the contact list of other Altar Servers. Should you have a scheduling conflict, it is your responsibility to secure a substitute for your Mass.

Interested? Please complete the form below and return it to the Parish Office at 5 Barbara St. South Yarmouth, Ma 02664. Training sessions will be held in the Church and children must be accompanied by their parent/guardian.

Participating in the Eucharist at Mass is an experience which can deepen the understanding of our faith, and is a source of grace bringing us closer to Jesus. Thank you for your response.

Youth's Name _____ Grade _____ D.O.B. _____

Father/Guardian Name _____ Cell # _____
