INCREASING OUR EFFORTS

We have some great news to share! Over the past year, the Diocese of Fall River has significantly increased its vocations efforts, actively connecting with and accompanying young men who are discerning a call to the priesthood.

This past June, we welcomed one new priest and another to the transitional diaconate. Looking ahead to the fall, we are excited to welcome a new seminarian into formation, bringing our total to seven men studying for the priesthood in our diocese.

The Holy Spirit continues to move! There are currently two other men in conversation applying for the seminary for next fall. This is wonderful news for our diocese and a powerful reminder that God continues to call workers into His vineyard.

Thank you for your continued support, your encouragement of vocations, and most importantly, your faithful prayers. Please keep our current seminarians and those still discerning in your daily prayers!

YOUR PRAYERS ARE POWERFUL!

Every vocation is born in prayer. Your intercession helps young men and women say "yes" to the call of Jesus. Will you pledge to pray for our seminarians, as well as the men who are discerning the priesthood?
